Editor's Note

Can you believe that we are in March. It seems like I just took down the Christmas decorations. WOW

The Sign Post has lost a great friend and a member of the staff of the Sign Post Marge Damato

She was also the president of the Women's Club which she brought back to life after Covid. She will be greatly missed by many.

I recently spoke to the Township about the receptacles for our garbage/recyclables. They tell me that we will receive them in the 1st quarter. Possibly by the end of March,. Let's wait and see.

Things to come in March:

- Mar. 9th Daylight Savings begins
(Spring ahead)
- Mar. 17th St. Patrick's Day
(The wearing of the green)
- Mar. 19th Living well with Arthritis
- Mar. 20th First day of Spring

For times and all other events please look in the Sign Post.

*Happy St. Paddy's Day to all

Joke of the Month: March

Irish Joke

johnmsweeney.com

On vacation in Europe, Bob noticed a marble column in a church in Rome with a golden telephone on it. As a young priest passed by, Bob asked who the telephone was for. The priest told him it was a direct line to Heaven, and if he'd like to call, it would be a thousand dollars. Bob was amazed, but declined the offer.

Throughout Europe Bob kept seeing the same golden telephone on a marble column. At each, he asked about it and the answer was always the same: a direct line to Heaven and he could call for a thousand dollars.

Bob finished his tour of Europe with a stop in Ireland. He decided to attend Mass at a local village church. When he walked in the door he noticed the golden telephone, but underneath it there was a sign stating: "DIRECT LINE TO HEAVEN — 25 CENTS"

"Father," he said, "I have been all over Europe and in all the cathedrals I visited, I've seen telephones exactly like this one but the price is always a thousand dollars. Why is it that this one is only 25 cents?"

The priest smiled and said,
"Son, you're in Ireland now. It's a local call."

=====
An Irishman who had a little too much to drink is driving home from the city one night and, of course, his car is weaving violently all over the road.

A cop pulls him over. 'So,' says the cop to the driver, 'where have ya been?'

'Why, I've been to the pub of course,' slurs the drunk.

'Well,' says the cop, 'it looks like you've had quite a few to drink this evening.'

'I did all right,' the drunk says with a smile.

'Did you know,' says the cop, standing straight and folding his arms across his chest, 'that a few intersections back, your wife fell out of your car?'

'Oh, thank heavens,' sighs the drunk. 'for a minute there, I thought I'd gone deaf.'

=====
Mary Clancy goes up to Father O'Grady after his Sunday morning service, and she's in tears.

He says, 'So what's bothering you, Mary my dear?'

She says, 'Oh, Father, I've got terrible news. My husband passed away last night.'

The priest says, 'Oh, Mary, that's terrible. Tell me, Mary, did he have any last requests?'

She says, 'That he did, Father.'

The priest says, 'What did he ask, Mary?'

She says, 'He said, Please Mary, put down that gun....'

NOT ONLY APPLIES TO THE IRISH

Six retired Irishmen were playing poker in O'Leary's apartment when Paddy Murphy loses \$500 on a single hand, clutches his chest, and drops dead at the table. Showing respect for their fallen brother, the other five continue playing standing up.

Michael O'Connor looks around and asks, 'Oh, me boys, someone got's to tell Paddy's wife. Who will it be?'

They draw straws. Paul Gallagher picks the short one. They tell him to be discreet, be gentle, don't make a bad situation any worse.

'Discreet??? I'm the most discreet Irishmen you'll ever meet. Discretion is me middle name. Leave it to me.'

Gallagher goes over to Murphy's house and knocks on the door. Mrs. Murphy answers, and asks what he wants.

Gallagher declares, 'Your husband just lost \$500, and is afraid to come home.'

'Tell him to drop dead!', says Murphy's wife..

'I'll go tell him.' says Gallagher.

1- List your reason(s) you want to install a tree on Common Grounds.

2- Review the 'Approved Replenishment Trees' sheet and list your requested tree(s).

3- Attach a rough sketch of your property noting the proximity of the Common Ground area you are requesting to have a tree planted. Be aware to keep open all access areas for emergency services into the Common Grounds and of the necessity to avoid underground utilities while digging.

4- Check which method of installation you are planning to use to install your tree?

purchase and install the tree myself.

hire a contractor to purchase and install the tree.

(Contractor Name: _____)

make a donation to the Garden Committee to purchase and install the tree.

5- Homeowner Name: _____

Address: _____

Phone: _____ E-Mail _____

The **financial cost to you**, the homeowner, could range from \$200- \$500 to cover the price of the tree, soil amendments, mulch, tree stakes, wire-enclosure & support poles to protect against deer browse / antler rubbing.

The **time cost to you**, the homeowner, would be the requirements to water the tree and maintain the enclosure for 12-months after the installation. Once installed, your tree becomes the property of the SRP Westerly HOA.

Sign, date & return this form with your sketch to the Trustee mailbox in the Clubhouse. **Do not plant your tree until you have the final written approval from the HOA.** It is recommended you speak with any neighbors about the plan installation of your tree. The turn-around time to review and approve or deny your request could take up to 30 days from the date of your submission so your patience is appreciated.

HOW TO MAKE COOLING BANDANAS

By: Ainsley Patterson
<https://ourpastimes.com>

The bright summer sun makes most people want to spend time outdoors, but it can get uncomfortably hot out there. A cooling bandana is an easy and inexpensive way to beat the heat when you want to spend time out in the summer sun. Make your own cooling bandana with a few inexpensive supplies from the craft store in just a matter of minutes.

Measure and cut a 5-by-42 inch piece of your cotton fabric.

Fold your fabric in half lengthwise with the right sides of the fabric facing each other.

Stitch along the long open side of the folded piece of fabric 1/2 inch in from the edge.

Sew one of the short ends at a 45-degree angle, starting at the folded edge and slanting down to the edge you just sewed. Trim the excess fabric on this end 1/2 inch from the seam.

Turn the whole tube right side out through the open short edge.

Press the fabric tube flat with your iron so the seams you just sewed are flat.

Sew a straight line across the tube, 10 inches from the short edge that is sewn shut. Go back and forth with your sewing machine over this seam three or four times so there is no chance of the seam coming undone.

Put 2 tsp. of silica gel crystals into the tube and shake them down toward the the line you sewed across the top of the tube.

Sew another straight line across the top of the tube 10 inches in from the other short end to trap the crystals in the middle of the bandana tie. Go back and forth over this seam three to four times.

Cut the open short end of the tube at a 45 degree angle, slanting down from the folded edge to the sewn edge. Fold In 1/2 Inch of this raw edge so no raw edge is visible.

Sew along the open short .end 1/4 of an inch in from the folded in edge to secure the fold .

Soak the bandana in cold water for a half an hour and then tie .it around your neck to keep you cool. Store them In the fridge overnight to keep the cooling effect longer.

SILVER RIDGE PARK WESTERLY ARCHITECTURAL FORM

In keeping with Berkeley Township shed ordinance, homeowners are permitted, effective immediately, to install one (1) shed on their property, up to and including 64 square feet.
(8' x 8' x 8')

Modification of existing shed policy 11th in the architectural Rules and Regulations was voted for, approved and has changed to:

1. Sheds may not be placed anywhere other than the rear of the home.
2. All sheds must remain within the sidelines of the home.
3. Sheds may NOT be installed on common ground property.
4. Said shed shall be of any structure material the homeowner desires.
5. Sheds that are required to be fastened must be on a firm ground structure. DO NOT place any shed on a cement slab. Cement slabs add square feet to your taxable living space and will be taxed by Berkeley Township.
6. In accordance with Berkeley Township ordinance, sheds must be placed at least three feet from the back of the property line.
7. Although Berkeley Township requires only a 3 foot side setback, SRP Westerly requires all shed placement to remain within the sidelines of the home.
8. In accordance with Berkeley Township ordinance, electrical wiring of sheds is not permitted.
9. If a homeowner chooses to install a shed against their home, it may not block any windows or doors.
10. Homeowners MUST submit an architectural approval request form along with a drawing showing the location of the proposed shed to the SR Westerly Architectural Committee. *(Architectural forms are available in your monthly copy of the Sign Post).*
11. The homeowner must submit a zoning permit application, required fees and forms to the Berkeley Township Town Hall /Zoning Office. *(Zoning Permit Application forms can be obtained from the Berkeley Township website or the Zoning Office.)*

KIRMS PHOTOGRAPHY

Aperture, Shutter, Program

This month we'll continue our discussion on controlling the exposure for a desired effect. Let's concentrate on Aperture priority. The camera's aperture is the adjustable opening that lets light onto the sensor or film. It works similar to the iris in your eye, opening wide to let in a lot of light, or closing down to let in less light.

With Aperture priority you choose the F-stop and the camera will choose the shutter speed. This is useful when you want to control how much of your image is in focus. With large F-numbers (F16 or F22) most or all of the image will appear sharp. At smaller numbers (F2.8 or F4) less will be in focus. If you want to blur your background (portraits) simply choose a small number. If you want most or all of your image in focus (landscape images) use the large number.

If your camera has the picture icons choose the mountain if you want a lot in focus and choose the portrait or sports icon if you want less in focus.

As always you can email to bill@kirmsphotography.com with any photographic questions. You can visit my web site www.kirmsphotography.com if you'd like to see more of my images. Keep shooting and improving your images, but most importantly, have fun with your camera.
