## Editor's Note

Can you believe it's May!

The months are just flying by. The daffodils are in bloom and Spring is definitely in the air. Hope everyone had a great Easter and Passover?

I heard thru the grapevine that everyone had a great time at Mingo/Bingo.

Lots of fun and laughter. If you missed it (like me) hopefully there will be another next year.

What's happening in May?

Most importantly The ELECTION on May 20th . You can vote up to 5 candidates and please follow the instructions carefully. You can also mail it or drop it off at the clubhouse. There will be a designated box for you to drop it in. Remember this is your community so make your vote count.

May 4th Mother's Day Brunch and Bubbly.

May 11th HAPPY MOM'S DAY

May 16th Let's Dance

May 20th ELECTION DAY (SRPWesterly)

May 26th Memorial Day Service

May 26th Memorial Day Picnic

See Sign Post for time and other info.

We are planning a Memorial day Service on May 26th @11am. Please try and attend to honor our Veterans. As always please bring something for the veterans that they can use. The list is in the Sign Post. Monetary donations are always welcome for the mailings and are tax deductible

*Happy Mother's Day

## ANNOUNCEMENT FROM THE PRESIDENT

With the arrival of warm weather, we look forward to seeing everyone out and about in our community. Our clubhouse is ready for the season: the Bocce courts are open, the swimming pool will be opening soon, and the Clubhouse grounds are looking awesome. It's time for mowing the grass and enjoying some long springtime weather. Additionally, the Westerly clubs have an exciting lineup of summertime events, so be sure to check them out!

Please remember that homeowners need to present their homeowner badges for pool entry. If your badge is missing, kindly complete the HO Badge request form and drop it off in the Trustees' box along with your check. Details on pool rules, privileges, guidelines, and guest pass costs are included in this issue of the Sign Post.

*Respectfully,  
Craig Cumming  
President*

Memorial Day 5.26.25

# MEET THE 2025 WESTERLY TRUSTEE CANDIDATES

---

## Craig Cumming | Millbrook Dr.

I am just completing my 2nd year term of service for the BOT. 1st year was a learning experience on the overall operations as Vice President. 2nd year has been as your president. You have a great team here and I believe we are moving in the right direction in many aspects. Thank you.

---

## Karen Heck | Beaverbrook Dr.

Numerous homeowners have called me in frustration, urging me to run for Trustee. Having served our Westerly community as a trustee, secretary, and past president, I have decided to run again. In the past two years, I have not sat idly by. I've attended various CAI seminars on the Federal ADA, HUD, FHA, PREDFA, NJGLCCC compliance, copyright regulations, and the ever-changing New Jersey Administrative Code, aka "*the Radburn Act.*" All of these directly impact our community, I am fully committed to abiding by the proposed **Federal Corporate Transparency Act**, which will require our trustees to submit personal information to the government or risk a hefty personal monetary fine. In addition, I am a CAI-certified ADR mediator.

Every community has small polarizing groups that can poison it by spreading rumors and falsehoods. I do not play favorites, have pet projects, or have a personal agenda. If you have any questions about my qualifications, please feel free to call me at 732-551-1891.

Please consider my commitment to Westerly and the vast knowledge I have attained and vote for me in May.

---

## Kathy Hopkins | Millbrook Dr.

My name is Kathy Hopkins and I am running for the SRP Westerly Board of Trustees. For those of you who do not know me, I have lived in this community for 4 years after retiring as an elementary school teacher, working in that position for 25 years. I am currently serving on the Board of Trustees as Secretary. In this position I have accurately kept detailed minutes of all Executive meetings as well as our HOA meetings. I have established a plastic recycle program with Trex, which with great success involved most of our community. In turn, we have received 2 benches made out of the recycled materials we collected. A board member must know how to plan and understand the budget, deal with disputes, discuss and carry out ideas, and most importantly listen to our membership-YOU. I look forward to working with other board members, volunteers, as well as our community residents in an effort to continuously make Silver Ridge Westerly a great place to live.

---

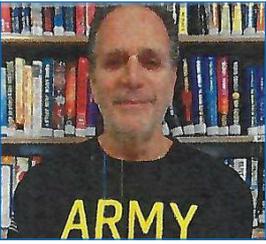

## Lawrence Levine | Nostrand Dr

Since moving to Silver Ridge Park Westerly in 2022, I have enjoyed our community immensely, which has proven to be a positive change after having formerly lived in my hometown of Bayonne prior to relocating here.

After working in lower Manhattan for the Home Insurance Company for more than 26 years in Computer Operations then for Verisk Analytics in Jersey City for 21 plus years as a Senior Company Liaison in Premium Audit. I feel I have something to contribute to our community dealing with the many facets of home ownership.

I do think I can add a new voice to the community and will be able to work well with the more established members of the SRPW Board of Trustees. For a community of our size to succeed, we need people who are willing to voice their opinions, put their ideas on the table, present a good argument and create a lively environment suitable for all.

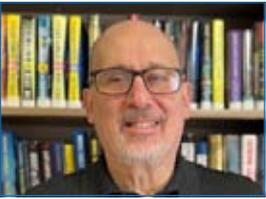

In review, I believe that I can lend new ideas and work in any capacity that is needed. With that said, I would like to run for a seat on the Board of Trustees.

### **Joseph Librizzi | Beaverbrook**

I have lived in the community for 5 years. I am an Army Veteran that served in Vietnam. I have been on the Board of Trustees for 2 years where I am now serving as Vice President and Clubhouse Manager. I have implemented the following programs: Free Smoke Detectors for Homeowners Created a Cornhole League for winter entertainment at the clubhouse Security system for the clubhouse doors installed. Eliminated a cleaning service - service now performed by janitors and board members. It will be my pleasure to continue in this capacity. Thank you.

---

### **Lawrence Mitchell | Nostrand Dr**

I am submitting my candidacy for the Board of Trustees of Silver Ridge Park Westerly. My experience in finance and accounting as well as serving on other development boards at previous addresses would be an asset to Silver Ridge Park Westerly. I look forward to being a Board Member.

---

### **Betty O'Brien | Millbrook Drive**

It has been my honor to serve on the Board of Trustees as your Treasurer for the last several years. I have been an active member in the community and belong to a number of clubs and organizations as well as supporting other activities in the community. I am also active outside the community as an officer in the Seaside Chapter of Deborah and a member of Gamma Sigma Sigma National Service Sorority. It would be my pleasure to offer my time, efforts and experience in making decisions that will benefit our whole wonderful community. I ask for your support to continue serving on the Board.

---

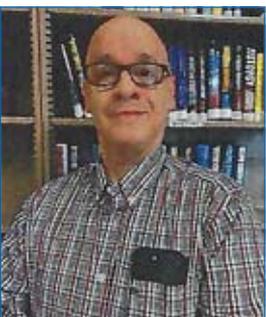

### **Karen Odronic | Bugle Ct.**

Becoming one of your Trustees gives me the ability to be a small part to positively connect with the homeowners and enhance not only our community's assets but enrich our community life. As your past President (2023 -2024) I was honored and enthusiastic that I was able to bring the community back together and having much more homeowners return again to our HOA meetings. Listening and being a voice that will lead to the opportunity to make good decisions that will have a positive impact on everyone and for our overall future.

I believe my long experience working for Robert Wood Johnson University Hospital (RWJUH), (38 years) not only gives me excellent work experience with organization and people skills for which I have used throughout my career as a Lead Data Coordinator for our Cardiac Surgery and Structural Heart Program. I am also looking forward to working harmoniously with the other board members, the clubs, committee members and the homeowners in an effort to continuously make the SRPW BOA a great place to live.

---

### **Patrick Racaniello | Whitmore Dr.**

My name is Patrick Racaniello and I would love to be your trustee. I am happily married for 27 years and I have two amazing adult children. My favorite hobbies are golf, gardening and going to the beach with my beautiful wife, Barbie. As a retired Verizon Sales Consultant, I bring to the table over three decades of professional communication and negotiation expertise. I look forward to earning your trust and being a great voice of reason, common sense, transparency and accountability for all of my neighbors in our wonderful SRP Westerly community.

Thank you, Patrick

## Joke of the Month: May

Last Wednesday a passenger in a taxi heading for Salford Station leaned over to ask the driver a question and gently tapped him on the shoulder to get his attention. The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb and stopped just inches from a large plate window.

For a few moments everything was silent in the cab. Then, the shaking driver said, "Are you OK? I'm so sorry, but you scared the daylights out of me."

The badly shaken passenger apologized to the driver and said, "I didn't realize that a mere tap on the shoulder would startle someone so badly."

The driver replied, "No, no, I'm the one who is sorry, it's entirely my fault.

Today is my very first day driving a cab. I've been driving a hearse for 25 years."

### Advice For Old Guys

I was working out at the gym when I spotted a sweet young thing walking in.

I asked the trainer standing next to me, "What machine should I use to impress that lady over there?"

The trainer looked me over and said; "I would recommend the ATM in the lobby."

2. **DO NOT** walk your pet on homeowner's property.
3. **PLEASE** be respectful of your community and your neighbors and be prudent in picking up after your pet on common ground areas, street, parking lot and your own lawn.

## Approved Replenishment Trees

The tree species listed below have been chosen for their ability to grow in our sandy, high acidic soils. They are a mix of native and non-native to the area species. No 'invasive' tree species are listed as they could cause environmental harm by spreading unchecked through our Pinelands environment.

With our Pine Barrens sandy soils, anytime when there is no snow on the ground is considered 'planting season'.

# May DiRT

## from the Silver Ridge Park - Westerly Garden Committee 2025

We all moved here into Silver Ridge Park-Westerly for different reasons but we all got the same benefit of living amongst the wonderful forest of the NJ Pinelands. This forest in our common grounds offers us fresh air, it supports food for wildlife and the tress can even hide us from our neighbors.

This delight does come with one unwanted extra in the month of MAY: pine pollen covering your car, patio furniture and changing the color of just about everything outside to yellow! It also causes some of us to suffer with lots of sneezing and runny noses. The evolutionary reason that pine trees produce large amounts of pollen is to ensure that their seeds get fertilized and the tree can create the next forest generation.

### ‘DiRT’ we have scheduled:

Wednesday MAY 14 **Fun Project** starting at 10am.

Bring your gardening gloves and enthusiasm to the ClubHouse as we will start the installation of our flower containers around the pool . The project does involve some heavy lifting. No problem though if weights are not your thing, just stop by and chat!

Wednesday MAY 28 **Monthly Meeting** at 7pm.

We will review what plants are best in patio containers and which are drought resistant species. Time-saving watering techniques will also be discussed.

### ‘DiRT’ you need to know:

If you want a more sustainable yard, one that is attractive to you with colorful flowers and shrubs, but also a yard that takes less of your time to maintain and uses less energy to manage, you might need to **take a break from perfection** and allow your gardens to be somewhat on the “untidy” side. For example, leftover seed pods on flowers or a few leaves under your shrubs might seem messy to your neighbor, but to the chickadees in your birdhouse, that is where they find food to raise their young.

Co-Gardeners:

David Donnelly (908) 415-3321 & Sandy Cannistraro (974) 476-7825

# SILVER RIDGE PARK WESTERLY ARCHITECTURAL FORM

In keeping with Berkeley Township shed ordinance, homeowners are permitted, effective immediately, to install one (1) shed on their property, up to and including 64 square feet.  
(8' x 8' x 8')

### Modification of existing shed policy 11th in the architectural Rules and Regulations was voted for, approved and has changed to:

1. Sheds may not be placed anywhere other than the rear of the home.
2. All sheds must remain within the sidelines of the home.
3. Sheds may NOT be installed on common ground property.
4. Said shed shall be of any structure material the homeowner desires.
5. Sheds that are required to be fastened must be on a firm ground structure. DO NOT place any shed on a cement slab. Cement slabs add square feet to your taxable living space and will be taxed by Berkeley Township.
6. In accordance with Berkeley Township ordinance, sheds must be placed at least three feet from the back of the property line.
7. Although Berkeley Township requires only a 3 foot side setback, SRP Westerly requires all shed placement to remain within the sidelines of the home.
8. In accordance with Berkeley Township ordinance, electrical wiring of sheds is not permitted.
9. If a homeowner chooses to install a shed against their home, it may not block any windows or doors.
10. Homeowners MUST submit an architectural approval request form along with a drawing showing the location of the proposed shed to the SR Westerly Architectural Committee. *(Architectural forms are available in your monthly copy of the Sign Post).*
11. The homeowner must submit a zoning permit application, required fees and forms to the Berkeley Township Town Hall /Zoning Office. *(Zoning Permit Application forms can be obtained from the Berkeley Township website or the Zoning Office.)*
