Memo From The President

As the years roll on, (and faster each year) I am sure a lot of us will be happy to be moving into fall. I personally still enjoy the seasons except towards the end of winter! This summer was pretty warm to say the least.

Your Board is working on constant improvement as a team and in their individual roles of our self managed HOA.

I have spoken briefly at our last trustee meeting the importance of volunteerism from the membership. The world is in a very fragile state as you are all aware and we must all be vigilant in continuing our efforts for the survival of this Community. The board and myself appreciate all that is done in this effort but I do believe we can do more great things if we can get a even more members involved. Ideas are formulating and we will be beginning some soon.

Volunteer Needed

A position is available for a Pool Operator/ Director. I am retiring after this pool season. The position can be filled by a SRPWesterly resident. A 2 day online course is required and will be paid for by the community. If interested please contact the SRPWesterly website or contact Bill Joseph @ 848-210-6400

*Thank you,
Bill Joseph*

VOLUNTEER

Editor's Note

Hi Everyone,

The Summer seems to be coming to an end. September hopefully will bring warm days and cooler nights. With Fall starting on Sept. 22nd all the clubs will be back in full swing.

We are so lucky to have so much going on in this community and good people to run these activities. Please try and take advantage of some of them. These men and women work very hard to bring you these clubs. Thank you!

Community Watch is looking for people to sign up. Please consider giving your time to the community. Information is in the Sign Post.

The Trustee and HOA meeting are in full bloom in September. Check Sign Post for meeting dates and times.

On a personal note, I have to say thank you to Sandy Cannistraro and Dave Donnelly and Co. from the Garden club having done a wonderful job around the pool area and the club house grounds. I have been here a "few" years and I haven't seen it looking so good. Thank you!

Diana Dillon

Information: SRPWESTERLYHOA.ORG

Welcome to all our neighbors let's work together in our community's abundance in senior living lifestyle

Welcome Westerly to my September issue! Not sure how this will go, but this is a new column for me to just talk schtick! Lord only knows what I will talk about! When we go back to school, (oh wait, most of you are retired) back to work (yes, there are some of us who still do) and play (keep it clean), I remember its September and time for Labor Day! Oh, September that's the month for me, I remember it's September and I'm happy as can be! (by lovely commotion.com)

The time will be coming for the pool to be closed, so you know the snow birds will be airing out their luggage to get ready to take flight. The first dew morning or the first leaf to fall, Sandy and Dave will have to quickly bring the plants in for fall. Think back to September 1955 - Gunsmoke premiered on CBS TV starring James Arness and the Yanks clinched the pennant by beating the Red Sox 3-2 (BOO!). So basically, these are mindless thoughts that live in my head, and I am sure I will have better stuff for the months ahead. I leave you now with this song to keep in your head, by Earth, Wind and Fire hey, hey, hey, ba-de-ya, say do you remember? Ba-de-ya, dancing in September, Ba-d-ya, never was a cloudy day.

Yours truly,

KO

Joke of the Month: September

Senior Citizen Joke

Let's hope this doesn't happen to any of us!!!

A little silver-haired lady calls her neighbor and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started."

Her neighbor asks, "What is it supposed to be when it's finished?"

The little silver haired lady says, "According to the picture on the box, it's a rooster."

Her neighbor decides to go over and help with the puzzle.

She lets him in and shows him where she has the puzzle spread all over the table.

He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."

He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then," he said with a deep sigh.....

"Let's put all the Corn Flakes back in the box."

Bathtub Test

During a visit to my doctor, I asked him, "How do you determine whether or not an older person should be put in a Nursing Home?"

"Well," he said, "we fill up a bathtub, then we offer a teaspoon, a teacup and a bucket to the person to empty the bathtub."

"Oh, I understand," I said. "A normal person would use the bucket because it is bigger than the spoon or the teacup."

"No" he said. "A normal person would pull the plug. Do you want a bed near the window?"

ARE YOU GOING TO PASS THIS ON OR DO YOU WANT THE BED NEXT TO MINE?

Approved Replenishment Trees

The tree species listed below have been chosen for their ability to grow in our sandy, high acidic soils. They are a mix of native and non-native to the area species. No 'invasive' tree species are listed as they could cause environmental harm by spreading unchecked through our Pinelands environment.

With our Pine Barrens sandy soils, anytime when there is no snow on the ground is considered 'planting season'.

The **financial cost to you**, the homeowner, could range from \$200- \$500 to cover the price of the tree, soil amendments, mulch, tree stakes, wire-enclosure & support poles to protect against deer browse / antler rubbing.

The **time cost to you**, the homeowner, would be the requirements to water the tree and maintain the enclosure for 12-months after the installation. Once installed, your tree becomes the property of the SRP Westerly HOA.

Sign, date & return this form with your sketch to the Trustee mailbox in the Clubhouse. **Do not plant your tree until you have the final written approval from the HOA.** It is recommended you speak with any neighbors about the plan installation of your tree. September 'DIRT'

from the Silver Ridge Park /Westerly Garden Committee 2024

'DIRT' on what you need to know:

Have you ever wondered what those green, wrinkly patches are that are on the trunk of your tree. Is it a disease? Is it hurting your tree? Will it hurt you? The answer is 'NO' to all three questions.

What you are looking at is a 'lichen', one of nature's most amazing creations. A lichen is an organism that is part fungus and part algae. These two plants live in a 'mutualistic relationship', meaning that each one benefits the other. The fungus part makes up most of the structure and it collects and holds moisture from rain drops. The algae part grows on the fungus and fixes nitrogen from the air which it shares with the fungus. The lichen only uses the tree trunk for something to attach to. There are not roots on a lichen to take nutrients from the tree. The common lichen that grows on our trees here in Silver Ridge Park / Westerly is the **Greenshield Lichen** (*Flavoparmelia caperata*).

Unlike plants that we are familiar with producing seeds that grow into new plants; lichens develop fruiting bodies that produce spores. These spores can produce another fungus which then has to find another algal partner to grow to mature size. Lichens grow very slowly; a two-inch sq. section could be decades old!

Lichens need clean, fresh air to survive. They cannot live in cities or next to congested roadways. So resist the urge to get out your power-washer to scrub off the lichen from your trees. They are a sign of fresh air in our neighborhood!

'DIRT' on what we have scheduled:

Wednesday SEPTEMBER 11th monthly **Fun Project** starting at 10am. With the (hopefully) cooler weather we will be working on our next garden bed project: rock removal, soil prep, mulching, etc. Bring your gardening gloves and enthusiasm to the ClubHouse.

Wednesday SEPTEMBER 25th **Monthly Meeting** starting at 7pm. We will discuss what 'deer resistant' spring-flowering bulbs to buy now and plant next month. As always, bring your questions.

Co-Gardeners:

Sandy C. (974) 476-7825

David D. (908) 415-3321

Did You Know?

Interesting Facts about

September

Sept. 10, 1752 doesn't exist. Neither does Sept. 4 or Sept. 12, in British history, at least. It's known as the English calendar riots of 1752, and it's a lost 11 days in British history, when the country finally changed over from the Julian calendar to the Gregorian calendar. Named after the Catholic Pope Gregory who introduced it, it's no wonder the Protestant nation of England wasn't too keen to join the ranks despite the majority of its neighbors using it for almost 150 years at that point.

Following the calendar of Julius Caesar, by 1752, the slight miscalculation in the Julian system made for 11 minutes too many every year since its implementation in 46 B.C., and it made Easter entirely too late in the year - 11 days later than the rest of Europe, in fact.

So in Sept. 1752, Parliament rectified the problem. They simply skipped 11 days, kind of. On Sept. 2, the country was under the Julian calendar, but on Sept. 3, they switched to the Gregorian calendar, and the day became Sept. 14, 1752.

Rumor has it in the days preceding the change, there was civil unrest and rioters in the streets demanding, "Give us our 11 days!" People believed their lives would be shortened, but moreover, they didn't much appreciate holy days being moved in favor of a Catholic calendar.

Most historians now believe the riots themselves never actually happened. What did happen was William Hogarth's painting entitled "An Election Entertainment," based on "The World," a satirical journal by Lord Chesterfield, who introduced the calendar bill initially.

The calendar was among the top political issues of the 1754 election. When Hogarth produced the painting in 1755 based on Election Night 1754, it was a satirical representation of the Whigs inside a tavern with Tory party members protesting outside, with a banner saying, "Give us our 11 days."

THE MOST BIRTHDAYS

There are also a whole ton of birthday celebrations to be had in September. It's not the most common birth month - that title actually belongs to August before it, but somehow, September holds nine of the 10 most common birthdays in the calendar, according to USA Today.

The most common birthday is Sept. 9, followed by Sept. 19 and Sept. 12. Famous Sept. 9 birthdays include Adam Sandler, Michael Bubl , Hunter Hayes, Colonel Sanders, Hugh Grant, Napoleon Bonaparte, Jack Trudeau, Otis Redding, Leo Tolstoy, Afrojack ... the list goes on and on. ■

HAVE YOU FORGOTTEN?

September is a month of memorials. Sept. 11, 2001, a date infamously immortalized as 9/11 or Patriot Day, marks the commemoration of the day when members of the Islamic terrorist organization al-Qaeda hijacked planes coordinating attacks on the Twin Towers in New York City and the Pentagon. More than 3,000 people lost their lives during the deadliest terrorist attack on American soil and catapulting the country into the Global War on Terrorism.

But it's not the only date worth remembering in September. There's Labor Day on Sept. 4, an annual celebration of the social and economic achievements of American workers; Constitution Day on Sept. 17, celebrating the the adoption of the United States Constitution and those who have become U.S. citizens; Native American Day on Sept. 22 honoring those indigenous peoples who were American before the rest of us, and let's not forget Grandparent's Day on Sept. 10.

As summer turns to fall, the autumn equinox formally brings the transition, on Sept. 22, marking the transition in the year.

Also on Sept. 22, 1862, then President Abraham Lincoln issued the Emancipation Proclamation, marking the end of slavery in the United States.

... and now you know!

THANK YOU FROM OUR TROOPS

Dear Friends and Supporters,

To: Lloyd Mullikin

Good evening Lloyd,

Your donations have been received! I cannot express enough gratitude for the items you sent, most especially the Girl Scout cookies and toiletries. Good snacks and toiletries are hard to come by in Poland.

Attached please see a picture with 2 soldiers who are also dedicated Red Cross volunteers. They will help me distribute the cookies through our "Random Snacks of Kindness" Program, where we walk around the installation passing out treats to the hard-working soldiers to brighten their day. The toiletries will be given to those headed out for missions or to new sites.

Again, thank you to you and all involved for your generosity and your support of our U.S. soldiers.

Kind regards,

Helen

Helen Mehls

Thank you so much for your kind words, and letting us know that the 1st boxes sent to you got there OK. I can send more phone cards, and other items you might be in need of. You have supporters back home that care, and will be the best they can to help. Special thanks for the nice photo, which I will share with your supporters back home.

I also was deployed in Europe (1970-1972), and know what it's like being away from family and friends. I was in the US Army as an MP, in Kaiserslautern, Germany.

A Message from the Westerly Board of Trustees

WESTERLY 2024 HOPA PROJECT IS UNDERWAY

In 2022 SRP Westerly's HOPA survey yielded only 89% participation.

The Westerly HOPA 2024 project goal is 100% participation.

One submission per household for census year 2024 and our community's obligation and a New Jersey Law mandate.

What can You do to help?

- Let your voice be heard
- Your participation is essential to ensure our community maintains its HOPA age restriction ratio status 20/80% over age 55+ occupancy.
- Complete and return to clubhouse a 2024 HOPA census form ASAP or use the website https://srpwesterlyhoa.org/forms/frm_HOPAFormOnline.html
- Keep your HOA records with communication/contact information up to date
 - Emergency contacts
 - Phone numbers
 - E-mails
 - Special needs
 - Pets +

Please continue to stay connected to our Westerly community events.

Volunteer and support our Westerly clubs, committees and organizations.

Attend our monthly HOA meetings.

What is HOPA?

The Housing for Older Persons Act (HOPA) was signed into a Federal law on December 28, 1995. The law's intent is to validate occupancy that at least one person, age 55+ years of age or older lives in a residential retirement unit in a common interest community serving seniors. HOPA surveys are a NJ Law MANDATE and instruct all senior community HOA's to periodically collect and verify through census, the names, number of occupants, ages and birthdates of all occupants residing in a residential senior community unit. An age certification document from the HOA is required for Certificate of Occupancy in the municipality of Berkeley Township, New Jersey.

A HOPA submission form is Conveniently located on our website to assist you.

In keeping with Berkeley Township shed ordinance, homeowners are permitted, effective immediately, to install one (1) shed on their property, up to and including 64 square feet.
(8' x 8' x 8')

Modification of existing shed policy 11h in the architectural Rules and Regulations was voted for, approved and has changed to:

1. Sheds may not be placed anywhere other than the rear of the home.
2. All sheds must remain within the sidelines of the home.
3. Sheds may NOT be installed on common ground property.
4. Said shed shall be of any structure material the homeowner desires.
5. Sheds that are required to be fastened must be on a firm ground structure. DO NOT place any shed on a cement slab. Cement slabs add square feet to your taxable living space and will be taxed by Berkeley Township.
6. In accordance with Berkeley Township ordinance, sheds must be placed at least three feet from the back of the property line.
7. Although Berkeley Township requires only a 3 foot side setback, SRP Westerly requires all shed placement to remain within the sidelines of the home.
8. In accordance with Berkeley Township ordinance, electrical wiring of sheds is not permitted.
9. If a homeowner chooses to install a shed against their home, it may not block any windows or doors.
10. Homeowners MUST submit an architectural approval request form along with a drawing showing the location of the proposed shed to the SR Westerly Architectural Committee. *(Architectural forms are available in your monthly copy of the Sign Post).*
11. The homeowner must submit a zoning permit application, required fees and forms to the Berkeley Township Town Hall /Zoning Office. *(Zoning Permit Application forms can be obtained from the Berkeley Township website or the Zoning Office.)*
